General Notes

- Please use CAPITAL letters to fill in the form. Scanned document needs to be emailed to trading@providence.life
- Dealing/Contract confirmation will be in line with the correspondence details held on record for this policy.
- This form should be used to request share dealing, carrying out currency conversions, purchases and sales of assets from the range available on the Providence Fund Platform. If you have any questions or need any clarification of these notes, terms and restrictions then please speak with your Financial Advisor or email Providence at trading@providence.life
- Your instructions will be carried out in a timely manner, however, delay in the placement of deals or trades may occur if the instructions are illegible, unclear, incomplete or relate to an asset which is not normally permitted. We are unable to backdate transactions resulting from the delay caused in clarifying your instructions.
- Dealing confirmations will be automatically generated and issued in line with the correspondence details we have on record for the selected policy.
- Dealing confirmations will be issued as soon as the corresponding contract note is made available, however as some assets deal monthly or quarterly, this may be some time after your instruction is sent. You should ensure that you are aware of the frequency of dealing for the chosen instrument and of any corresponding notice periods that may apply. These details can be checked with the corresponding asset manager or you should contact your introducer.
- If you are requesting an asset that is not available in the Providence Fund guide, there will be a delay in the placement of trades.
- Instructions involving the subscription of a structured note must be submitted 48 hours before the note closing date.
- The cut-off for all instructions on any day is 3:00pm Mauritius Standard Time. Instructions received after the cut-off time will be processed on the next working day.

Completion Requirements

- **Buy/Sell** - Tick Buy/Sell in the relevant section for each separate instruction. For Providence policies there may be a minimum trade amount for any one asset. Please check with your introducer or login to the Providence website. This form may also be used to instruct currency conversions (FX), switch orders and money market (MM) orders.
- **Switch** - This will usually mean selling units in one asset available in the Providence Fund Range and buying units in a different asset.
- **Currency** - In the case of a Buy, insert the currency of the cash to be used to purchase the stock. In the case of a Sell insert the currency of the account that you wish the proceeds to be credited to.
- **Units or percentage** - For Buy, Sell or Switch Instructions please state either the cash amount, the number of shares/units or the percentage of that asset or holding.
- **ISIN number** - If you are requesting that we buy or sell assets outside of the Providence Fund Range, please provide the ISIN number for Providence's consideration. Assets within the Providence Fund range can be found on the Providence Fund guide and you should describe them in the relevant box. Providing this information will enable us to act upon your instructions more efficiently.
- **Fund name** - Please ensure the full name of the fund is clearly stated and please do not use abbreviations.
- **Asset currency** - If known, please provide confirmation of the currency of the requested asset.
- **Contact details** - Make sure that your adviser's contact details are clearly marked on the form. We will contact them if we have any questions relating to your instructions.

Guidance Notes

- **Sufficient cash** - An instruction to purchase an investment will not be actioned unless there is sufficient cash within the policy to meet the purchase price and all costs of the purchase, except where the purchase is made simultaneously with a sale which will provide cash sufficient to meet the purchase price and all costs of the purchase.
- **Sufficient holding** - An instruction to sell a holding cannot be actioned unless there are sufficient shares/units held to cover the sale.
- **Client confirmation** - All policyholder(s)/authorised signatories and the fund/investment adviser are required to sign the dealing instruction.
- **Minimum Investments** - Please check the minimum investment into any asset you may choose to purchase, as asset managers may set their own minimum investment levels and you should be aware of these before submitting instructions.
- **Dealing frequency/timing** - You should check on the liquidity and frequency of dealing in the fund or asset that you wish to buy or sell as Providence cannot be held responsible for delays caused by transactional notice periods.

Whilst we will accept scanned instructions, we cannot accept responsibility for a failure to action an instruction resulting from an error in transmission or if the scan is illegible, incomplete or unclear.
- It is your responsibility to request a foreign exchange transaction if assets are held in a different currency to that required for settling the purchase(s) or if you wish the proceeds of a sale to be converted to another currency.
